Wrightwood Native Awarded Full Scholarship For Summer Study At World-Renowned Berklee College Of Music

BOSTON, MA, June 2010 – Wrightwood, CA native Mychal Fabela was awarded a full Berklee City Music Summer Scholarship to attend Berklee College of Music's Five-Week Summer Performance Program for high school students, July 10 - August 13, in Boston.

Fabela heads to Boston through a collaborative after-school program between La Mirada-based Project RYTMO, and the Berklee City Music Network, a national partnership initiative for Berkeley to give underserved youth

a music education. At each Network locale, Berklee alumni direct student ensembles, while an online music curriculum teaches theory, ear training, and performance using popular R&B, Rock, Hip-hop, and Jazz songs. Scholarships are available for Network students, granting them summer or full-time study at Berklee. For the students enrolled at the 22 Berklee City Music Network sites, their experiences are life changing.

The first Berklee scholarship recipient from Project RYTMO, Fabela will join

900 high school students from all over the world to sharpen his skills in private lessons, ensembles, and concert performances of contemporary music styles.

Fabela is a guitarist and vocalist who graduated from Serrano High School in Phelan, CA, where he was quarterback of the school's varsity football team. He is currently majoring in music at Victor Valley College. Fabela is selling T-shirts he printed to help fund his flight to Boston and living expenses at Berklee.
